THE GOOFY AGE

By Hal E. Roach ✓

Tommy is a clerk in a bird and animal store, and, when called upon to deliver a caged parrot and a bag of animal seed during the rush hour on the subway, gets into all sorts of difficulties. He loves one of the pretty clerks in the millinery shop next door, but her aunt is forcing her to marry another. Tommy decides the way to remedy the situation is to marry the girl himself. As the girl's aunt and the man of her choice are on the way to the store to get the girl, the ceremony must take place at once, and arrangements are made for the bird store to be the scene of the wedding. This is accomplished with difficulty, due to the arrival of customers, and then the fire department when the building takes fire. So the lovers, justice of the peace and witnesses make off with the hook and ladder and the knot is tied before they are caught.
